

Centre for Education & Research Services

Who we are

Centre for Education & Research Services (CERS) is a unit of Kerala Development Society (KDS), Delhi. KDS Delhi is a research organization and a Centre for the development of Indian States. A group of development professionals from multi-disciplinary background formed this organization in 2002 as a registered society. Currently it has completed 15 years of its existence. As a national organization, KDS strives to be recognized as a progressive and proactive body promoting international human development standards. It envisions a future where each and every individual or group is able to get the benefit of social and economic growth and participate in the development process. In addition, KDS works towards a future where all Indian States register faster growth rate and achieve regional balance. Since its operation, KDS Delhi has been carrying out several activities which facilitate the development of various Indian states. It shares human development experience of Kerala with other states and carries out activities to facilitate the inclusive growth of all Indian states. KDS has vast experience as Technical Support Institution (TSI) and is an empanelled agency in providing education and research services. It has associated with various ministries of Government of India and departments and institutions of several States for development studies. It actively works with local communities, business communities, various local government institutions and district administrations. During its 15 years of existence KDS carried out several research studies, massive field surveys, need assessment studies, training and capacity building programmes, seminars and workshops state wise, regional level and all India basis.

For what ?

CERS provides an integrated package of education and research services that try to address various needs of education and research institutions and individuals with the deeper involvement of experienced and senior professionals, researchers and development specialists.
